For: Curable Silicone Composition And Cured Product Thereof

SUPPLEMENTAL AMENDMENT

Mailstop AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

In response to the Office Action mailed on January 6, 2009, and to further supplement the Amendment filed on April 1, 2009, please amend the claims as follows and consider the accompanying remarks. A complete listing of all claims pending in the application is included in accordance with 37 CFR §1.121. This Supplemental Amendment is timely filed; thus, it is believed that no fees are presently due.

This Supplemental Amendment is identical to the Amendment filed on April 1, 2009, the only difference being the signature line at the end of the Amendment. Whereas the Amendment filed on April 1, 2009 did not properly include two slashes on either side of the signature for Christopher S. Andrzejak, the instant Supplemental Amendment properly includes the two slashes.
